# Overview

**Important:** Dayforce provides the information in these release notes to customers for general information purposes only. This information should not be construed as legal, tax, or other advice specific to any individual or organization. Please consult your appropriate adviser for such specific advice.

These release notes describe the enhancements and fixed defects that have been incorporated into the latest release of Dayforce Tax Service. Dayforce Tax Service includes the following products and services:

- DayforceTax.com (core features)
- Affordable Care Act (ACA)
- Payroll Data Manager (PDM)

**Note:** This document includes information only for the Dayforce Tax Service items that were changed or were added in this release.

This document contains the following sections, as applicable:

Section	Description
Compliance	Year-end compliance updates.
Defects Fixed	Defects that were addressed.
Enhancements	Features and functions that were added.
Maintenance	Updates necessary for system maintenance.

**Note:** The information in this document is for the United States and Canada.

## Additional resources

These release notes contain high-level descriptions of the changes to DayforceTax.com for this release. For additional information, see the DayforceTax.com Help.

To open the Help, click the Help icon on any page in DayforceTax.com.

On the Help Home page, use the search bar, menu bar, or quick links to find more information.
